ORDER GRANTING CONTINUANCE
AND AMENDING SCHEDULING ORDER

The matters before the court are Defendants Unopposed Motions for Continuance filed *Friday, April 01, 2022 [dkt. #152 & #153]*, after reviewing the motions and there being no objection from counsel for the co-defendant or order severing defendants in this cause of action, it is the opinion of the Court that the motions should be granted and that the trial in this case should be and is continued as to all pending defendants.

The Court further finds that the period between *Tuesday, April 05, 2022 and Monday, May 23, 2022*, is a reasonable period of necessary delay to allow counsel time for preparation for trial and further finds that such period shall be excluded from the time within which the defendant must be brought to trial and that the ends of justice served by taking such action outweighs the best interest of the public and the defendant in a speedy trial under the Speedy Trial Act pursuant

to Title 18, United States Code, Section 3161(h)(7)(A).

This case shall proceed on the following amended schedules:

Pursuant to Federal Rules of Criminal Procedure 11(c) and the holding of the Fifth Circuit Court of Appeals in United States of America v. The Court will not accept a plea agreement after the aforementioned deadline. Should a plea agreement be reached and filed in this case and absent written objection filed contemporaneously therewith, this case will be referred to a United States Magistrate Judge for the purpose of administering the plea of guilty and the Fed. R. Crim. P. 11 allocution, subject to final approval and the imposition of sentence by the United States District Court.

PRETRIAL MATTERS
